AEE Certification Renewal Credits to Providers of suitable activities

Dear SAFHE

The Institute of Energy Professionals Africa (IEPA) NPC strives to develop energy awareness and high-quality training program services, throughout the Sub-Sahara Africa region and in line with the mission and vision of the Association of Energy Engineers (AEE)®.

This is achieved by supporting efforts towards sustainability & identifying opportunities in Sub-Sahara African countries. IEPA allocates renewal credits to relevant events of benefit to individuals in the industry that need to maintain their international AEE Certifications.

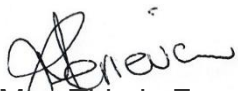

The event organizer shall be a recognized organization or continuing education department of an organization which meets the following:

- The provider must maintain an attendance register, list of instructors / speakers, and program of the event duration and topics covered
- Each attendee shall be provided with a Certificate of Participation indicating event attended, date, location and any credits awarded by ECSA or similar body on AEE renewal credits allocated.
