

SAFHE 2026

SOUTHERN AFRICAN
HEALTHCARE CONFERENCE

9 - 10 JUNE 2026

CTICC 2 CAPE TOWN

Connection · Innovation · Quality · Collaboration · Future-focused · Inclusive

DAY 1 | Tuesday, 9 June

Start	End	Stream 1	Stream 2
08:30 AM	10:00 AM	Venue: Hall 8.1	
		WELCOME Petrus Swanepoel President, South African Federation of Healthcare Engineering	
		OPENING Expected changes in the South African healthcare environment Dumisani Bomela CEO, Hospital Association of South Africa	
		KEYNOTE ADDRESS From Silos to Synergy: Building a Healthcare System that works, together Helen Potgieter President, Clinical Engineering Association of South Africa	
10:00 AM	10:30 AM	BREAK HALL 9	
10:00 AM	10:30 AM	Kwikot & AFOS SA Product Demo Workshop	
SESSION 1			
10:30 AM	12:00 PM	SESSION 1.1	
		SESSION 1.2	
		Integrated Healthcare Infrastructure: Engineering Systems for Improved Care Facilitator: Denton Smith Venue: Hall 8.1	Designing for Healing: Patient-Centred and Operational Excellence Facilitator: Peter Dicks Venue: Hall 8.2
10:30 AM	11:00 AM	PCI Gases Solar Powered Containerized Medical Oxygen Generator in Low-Resource Settings in South Africa Speaker: Andy Gouws	Patient-Centred Design Speaker: Bryan Brinkman
11:00 AM	11:30 AM	M&V: Data Credibility within Energy and Operational Risk Speaker: Christo Van Der Merwe	Invisible Yet Essential: Strengthening Guardian Waiting Shelters in Malawi's Healthcare Infrastructure Speaker: Mindy Panulo
11:30 AM	12:00 PM	State-of-the-Art HVAC for African Healthcare: A Hybrid Chilled-Water and VRF System for a Multi-Specialty Hospital in Addis Ababa Speaker: Samuel Jacobs	Ensuring Healthcare Design Excellence: Mastering the 7 Flows of Healthcare in a Theatre Complex Speaker: Amy Krause
12:00 PM	01:00 PM	LUNCH HALL 9	

SESSION 2			
		SESSION 2.1	SESSION 2.2
01:00 PM	03:30 PM	From Design to Delivery: Collaborative Healthcare Engineering in Action	Shaping Healthcare Systems: Policy, Planning and Infrastructure Strategy
		Facilitator: Sthembizo Jwele	Facilitator: Amy Krause
		Venue: Hall 8.1	Venue: Hall 8.2
01:00 PM	01:30 PM	One Team: Collaborative Design of The Valkenberg Forensic Precinct Speaker: Alexander Van Den Berg	Transformative healthcare infrastructure in Limpopo Speaker: Mike Morkel; Katherine Roper
01:30 PM	02:00 PM	Beyond Recycling: Overcoming Barriers to Zero Waste in Healthcare Speaker: Liezl Myburgh	Not whether to build, but how: designing tomorrow's green places in Africa today Speaker: Peta De Jager
02:00 PM	02:30 PM	The Dangers in Plumbing Systems Speaker: Andy Camphausen	A Shift from Projects to Asset Management in Public Healthcare Speaker: Angela Hesketh
02:30 PM	03:00 PM	From Water Risk to Water Security: Building Resilient Healthcare Systems Speaker: Theasha Naidoo	A Best Practice Framework for Asset Intelligence in Healthcare Facilities: Promoting Patient Care and Recovery through Smart Asset Management Speaker: Eduardo Appies; Johannes Paradza
03:00 PM	03:30 PM	Safeguarding Patient and Staff Health Through Safe Water Delivery and Compliant Plumbing Infrastructure Speaker: Steve Van Zyl	Bridging the Infrastructure Gap: A Blended Finance and Public-Private Partnership Framework for Resilient Public Healthcare Facilities in KwaZulu-Natal Speaker: Chris Maxon
03:30 PM	04:00 PM	BREAK HALL 9	
04:00 PM	05:00 PM	Venue: Hall 8.1	
		CLOSING Petrus Swanepoel President, South African Federation of Healthcare Engineering	
		KEYNOTE ADDRESS Efficiency in Healthcare Speaker: Maria Van Zyl North West University	
05:00 PM	07:00 PM	NETWORKING EVENT	

DAY 2 Wednesday, 10 June			
Start	End	Stream 1	Stream 2
08:30 AM	09:30 AM	WELCOME Amy Krause South African Engineering of Healthcare Engineering KEYNOTE ADDRESS Collaboration in Action: Synergy in Healthcare Cost Optimization Speaker: James Herbert Mediclinic	
09:30 AM	10:00 AM	BREAK HALL 9	
09:30 AM	10:00 AM	Franke Product Demo Workshop	

SESSION 3			
10:00 AM	12:00 PM	SESSION 3.1	SESSION 3.2 - SPONSORED BY  
		Smart Healthcare: AI, Digital Innovation and the Future Tools	Sustainability & Safe Healthcare: Balancing Risk, Resilience and Responsibility
		Facilitator: Poon Pieterse Venue: Hall 8.1	Facilitator: Peter Dicks Venue: Hall 8.2
10:00 AM	10:30 AM	From Fragmented Systems to Intelligent Infrastructure: A Multi-Facility Ignition SCADA Rollout in Healthcare Speaker: Albert Kasselmann	Performance-Based Fire Engineering for Sustainable and Resilient Hospital Infrastructure Context and Rationale Speaker: Karel Roodt
10:30 AM	11:00 AM	Why Healthcare Infrastructure Needs a Common Data Environment - and How to Build One Speaker: Gibran Dawood	Management of cybersecurity of medical devices Speaker: Van Heerden Fourie
11:00 AM	11:30 AM	AI is revolutionizing Medical Device user operations Speaker: Simone Rudolph-shortt	Resilience in Mental Healthcare Facilities : A Case Study in how to break things Speaker: Bryan Brinkman
11:30 AM	12:00 PM		Cybersecurity Risks for The South African Healthcare Sector Speaker: MC Bekker
12:00 PM	01:00 PM	BREAK HALL 9	
12:15 PM	12:45 PM	Philips Product Demo Workshop	
SESSION 4			
01:00 PM	02:30 PM	SESSION 4.1	SESSION 4.2
		Delivering Healthcare Infrastructure: Projects, Partnerships and Performance	Energy, Sustainability and Climate Resilience in Healthcare Facilities
		Facilitator: Bryan Brinkman Venue: Hall 8.1	Facilitator: Vulikhaya Ndikinda Venue: Hall 8.2
01:00 PM	01:30 PM	A Hospital Project Manager's perspective on people and purpose Speaker: Deon van der Merwe	Innovation in Healthcare Speaker: Denton Smith
01:30 PM	02:00 PM	Healthcare partnerships improve infrastructure and provide employment opportunities Speaker: Yolanda de Lange	The PV-T, Thermal Battery, & Heat Recovery Revolution Speaker: David Volkwyn
02:00 PM	02:30 PM	Expertise and Synergy Speaker: Keith Bonsall	Implementation of Micro Grid Systems, The Challenges to comply with all regulatory aspects and Insurer Compliance, and still Meeting a high IRR Speaker: Wiid Brett
02:30 PM	03:00 PM	BREAK HALL 9	
03:00 PM	04:00 PM	Venue: Hall 8.1	
		CLOSING	
		Frances Fenner Southern African Federation Healthcare of Engineering Future of Healthcare Infrastructure – Embracing Change Speakers: Mike Morkel, James Herbert & Peta de Jager
